

Introducing the HTC Hero™

The Sprint DSS Technical Trainers welcome you to learn to touch your way to features, programs, and information on your HTC Hero™. We will show you how to access and manage multiple email accounts and create a phone that's just right for you. Join us in one of our HTC Hero training sessions where we will go over basic setup, use, and a series of tutorials on device functionality.

Please join us for Sprint HTC Hero Trainings :

Monday October 12th -Friday October 16th
Monday October 19th -Friday October 23rd
Monday October 26th -Thursday October 29th

All trainings begin at:
3 PM EST / 2 PM CST / 12 PM PST

Visit the Sprint Business Training
website:
